- REDUCES OXIDATIVE DAMAGE AND STRESS*

The World's First Energy Drink Powered by Superoxide Dismutase (SOD)

Pollen Burst™ is the world's first energy drink powered by flower pollen and the body's most powerful antioxidant, superoxide dismutase (S.O.D.). This high-tech, energy boost rapidly powers your body by feeding it hypoallergenic, organically grown flower pollen extracts, the world's first bio-available superoxide dismutase extract, green tea extracts, B-Vitamins, Vitamin D and more.

This anti-aging drink helps the body fight the damages done to it by dangerous free radical molecules, toxins and other environmental stresses. No other drink can deliver the powerful S.O.D. and other antioxidants that your body relies upon to help defend itself from cellular damage. Pollen Burst™ also helps you control your appetite to assist you in attaining your weight loss goals.

(Superoxide Dismutase/Gliadin Complex (GLiSODin®)+, Green Tea Extract (50% EGCG) and Pollen Extract (G-40))

Pollen Burst™ is a great tasting natural orange-flavored powdered drink made from a proprietary fusion of: GLiSODin®, the first patented orally effective SOD that is an essential enzyme in protecting the body from oxidative stress; Secalate™, Flower Pollen Extract-G40 is a concentrate of life-giving micronutrient substances in a form which makes them easily available for humans; Progalate™, Green Tea Extract, containing 50% EGCG, clinical studies have suggested it can protect against a range of diseases and has an added benefit in maintaining and losing weight; Gluconate™, Glucuronolactone, is a natural metabolite found in the body, it not only supplies energy, it also increases feelings of well-being.
